

We are excited to announce Super-Tek Products and Formulated Solutions are now part of Parex USA, a California Corporation. For 40 years, Super-Tek Products and Formulated Solutions, have provided superior local personalized service to its customers throughout the tristate area. Parex USA intends to continue this practice and will make available the nationally recognized Merkrete branded tile setting product portfolio to Super-Tek and Formulated Solutions customers.

It is our sincere belief that the combination of the companies will result in great benefits and value for our customers further strengthening the relationships we have built over time. We remain committed to providing the personal service and attention our customers have come to expect and with greater resources, an enhanced product and service offering going forward.

Sincerely,

Harry A. Paulison  
COO
